it is a true Christ-like lifestyle

ALC Student

Ministries: Being involved at ALC goes beyond Wednesday night and weekend services, it is a true Christ-like lifestyle. If

you have never been to one of our youth services, come and check out what ALC has to offer you. We meet Wednesday nights from 6:30 - 8:30 PM in the Youth Center. ALC Student Ministries is for any student who is in Jr. High or High School, grades 6-12 and we have other opportunities for our college students to connect.

Vision

Abundant Life Church Student Ministries is made up of actively involved and committed students and staff whose purpose is to draw in, win, grow, and empower each other to magnify Christ as our lives are changed through a personal relationship with Jesus Christ.

Purpose

Our purpose at ALC Student Ministries is to provide a high energy, fun, exciting, and culturally relevant environment for students to walk into and not leave the same. We want students to be set on fire for Christ through a personal relationship with Him and revelation of the Word (Luke 24:32). It is about letting Jesus Christ transform each one of us from the person we are to the person He wants us to be.
